Rainwater System

- 150mm half round profile/110mm pipe and fittings
- High flow capacity
- High quality finish
- Due to greater flow capacity, ideal for large industrial and commercial buildings

* To indicate the product colour(s) required, the following code suffixes should be used:
BL - Black, G - Grey

The Kommercial 150mm half round gutter system and 110mm diameter down pipe system is suitable for use in commercial, industrial and agricultural buildings. Available in grey and black.
